EDUCATION

Jawaharlal Nehru Technological University

Bachelor of Computer And Science

Anantapur, AP

sep. 2022 – May 2025

Loyola polytechnic college

Diploma of Computer Science And Engineering

Kadapa, AP

Aug. 2019 – May 2022

OBJECTIVE

I am actively seeking a challenging career opportunity in the Electronics industry. My ideal role will enable me to harness my knowledge and technical skills. I am searching for an organization where I can further cultivate my expertise while simultaneously contributing value to the company. I aspire to be part of a dynamic team comprising motivated individuals who collaborate, share knowledge, and work towards enhancing the organization's competitiveness.

EXPERIENCE

Cisco Network Academy Training

Netacad

April - July 2022

Remote

- I gained virtual experience in configuring and troubleshooting network devices, developing proficiency in networking fundamentals such as the OSI model, TCP/IP protocols, subnetting, and VLANs.
- Additionally, I acquired expertise in configuring and managing switches, routing protocols, and wireless networking concepts.

TECHNICAL SKILLS AND INTERESTS

Languages: Java, C/C++(Intermediate), SQL (Basics), JavaScript, HTML/CSS(Basics), Kotlin.

Developer Tools: Version Controls, Android Studio, Visual Studio, Eclipse.

Frameworks: SQL(Basic), React, Node.js.

PROJECTS

PDF's provider | *Android studio,kotlin,firebase,viewmodel.*

Dec 2022 – June 2023

- Developed a pdf provider to the all students in our university.
- They can search the semester/year and subject name to get the all related pdf's.

COURSEWORK

Undergraduate |

- Data Structures and Algorithms.
- Design and Analysis of Algorithms.
- Object Oriented Programming.
- Operating System.
- Database Management System

CERTIFICATES

Introduction to Networks

Cisco Networking Academy

Apr 2022

- Configure switches and end devices to provide access to local and remote network resources

Switching, Routing, and Wireless Essentials

Cisco Networking Academy

July. 2022

- Configure VLANs and Inter-VLAN routing applying security best practices.

Enterprise Networking, Security, and Automation

Certificate of Course Completion

Nov.2022

- Configure single-area OSPFv2 in both point-to-point and multiaccess networks.
